WARRANTY
MAINTENANCE-FREE

Deep profile and crisp, clean angles.
Ordinary siding has a 3/8" profile. American Dream™ has a 1/2" profile and straight bottom edge to enhance the beauty of each panel. American Dream's crisp angles also create the appealing shadow lines of natural wood.

SlipStop Lock® system ensures smooth installation.
The **SlipStop Lock®** system is engineered for a great-looking installation every time. Siding locks into place and holds position for nailing; the result is level, straight panel-lines running the length of the house and matching at corners.

- MAINTENANCE-FREE

Thicker. Tougher. Better.
Carolina Sands' wider 5/8" profile edge and .044" thickness maximize rigidity and gives it extra durability.
