Deluxe Drawer Construction

Merillat Classic® Deluxe

With thicker, stronger materials, premium construction, and outstanding features, the Classic Deluxe Option can make your kitchen remarkably sturdy and incredibly durable. Classic Deluxe offers premium upgrades to our Classic cabinetry line. For an overview of the construction details of our three standard lines, [click here](#).

1. Thicker Cores

A 3/4" thick drawer core provides a remarkably solid frame that will be both useful and will last years upon years.

4. Full Extension

Full extension undermount drawer guide allows you to completely open the drawer making it easy to see and reach all of the contents.

2. Dovetail Construction

Providing extraordinary durability, with the strength to endure the most demanding users.

5. Plywood Drawer Bottom

The Deluxe Option provides durable plywood bottoms on the drawers to help resist sagging.

3. Thicker Wall Cabinet Shelves

Our adjustable wall cabinet shelves are made from 3/4" thick engineered wood, laminated with stain and spill resistant vinyl.

6. Plywood End Panel Option

Add a 3/8" thick five-ply furniture grade plywood end panel option for added strength and stability. (Not available with laminate cabinet styles.)

SoftAction™ Technology

Add our unique SoftAction™ system option to our Deluxe construction cabinetry for a completely silent and effortless movement. **Now available for drawers and cabinet doors!** [Learn more.](#)
