

Timberland I

Cape Cod w/Finished 2nd Floor

The Timberland I is a single level ranch style home, which includes a master suite and two bedrooms with adjoining bathroom.

Our floor plans provide flexibility to adhere to your preferences. If you'd rather have a TV/family room than a private dining room off the large kitchen area, we'll do just that. Lot restrictions are not a problem as the Timberland I home is designed with narrow lots in mind.
